TO WHOM IT MAY CONCERN

This is to certify that Mina Rani Debi (Passport No.E00013018) Joined the Government Health Service, Ministry of Health & Family Welfare in 2005. Now he is working as an assistant professor, Gynaecology, ICMH, Matuail, Dhaka, Bangladesh from 2016. She has applied for permission from the workplace to undergo professional training in Gynaecology in Dokkyo Medical University, Japan from 01/04/2024 to 15/04/2024. This organization has no objection (NOC) in granting her permission to go to Japan.

To the best of my knowledge she bears a good moral character and did not take part in any activities subversive of the state or of discipline. I am giving her permission for Visa application in order to attend Professional training in Japan.

I wish her every success in life.
